DISCLAIMERS: Specifications, pricing, descriptions, illustrative materials and all competitive comparisons/claims contained in this document are as accurate as known at the time of production approval (January 2019). 1. Based on the WardsAuto Small Pickup 4x4 Crew Cab Segmentation. Based on available front and rear locking differentials, cab and bed rock rails, disconnecting water bar, two front and two rear tow hooks, 4:1 Transfer Case, 33" off-road tires, skid plates, and off-road camera. 2. Based on the WardsAuto Small Pickup 4x4 Crew Cab Segmentation. 3. Do not attempt water fording unless depth is known to be less than 762 mm (30 inches). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas. 4. Jeep Gladiator is the only vehicle in the industry with an available forward-facing camera designed for off-road use. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 5. Be sure to follow all instructions in Owner's Manual for removal of top, doors and lowering of windshield. Driving with doors off and windshield down is for off-road use only. 6. Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. 7. All SiriusXM Guardian-equipped vehicles come with a 12-month trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. Services can only be used where cellular coverage is available. See Uconnect® and SiriusXM Guardian Terms of Service for complete service limitations. 8. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. Android Auto requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates may apply. 9. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 10. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 11. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 12. The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly.

†Prices as shown are MSRP. Excludes freight (\$1,895), air tax (\$100), insurance, registration, license, retailer administration fees, new tire duties and dealer accessories are not included. Retailer may sell for less.
