WARRANTY - Completed repairs are warranted as long as you own the specified vehicle. The warranty applies only if the defects occur under normal driving conditions and as a result of faulty repairs or workmanship. The warranty shall be deemed null and void in the event the vehicle has been subject to accidents, alterations, negligence, abuse, or misuse. Specifically excluded from the warranty are scratches and chips acquired from driving conditions or intentional negligent acts. This four-part written warranty with specific additional limitations pertaining to each section as described below.

1. Metal work -*** Collision provides a limited lifetime warranty against defective workmanship, which includes welding and the application of materials, utilized in the repair process against cracking, flaking, pitting, and deterioration (excluding recurring rust). *** Collision will after inspection and at its sole discretion, repair and repaint any metal work warranted.

2. Painting, stripes, and decals - We provide a limited lifetime warranty on all paint and paint related items. We also provide a limited lifetime warranty on the application of decorative stripes and decals excluding fading, cracking or other defects caused by environmental conditions, road hazards, or negligent or intentional acts that the vehicle may have been exposed to. *** Collision will after inspection and at its sole discretion, replace and repaint any paint related item warranted herein.

3. Mechanical repairs - We provide a limited lifetime warranty on the workmanship of all mechanical repairs excluding parts failures after the expiration of any applicable manufacturer warranty, pertaining to the original collision repair excluding air-conditioning, suspension, and electrical items. *** Collision will after inspection and at its sole discretion, replace and repair any mechanical related work warranted herein.

4. Parts - We warranty that the parts and materials utilized in the repair of your vehicle are of premium quality except that used, reconditioned, or non-OEM parts may be used, but only when agreed to by either yourself or by the requirement of your insurance provider. These parts, as described on the repair order, are subject to the guarantee or warranty of the manufacturer.

*** Collision specifically disclaims all liability for damages including consequential, incidental, and punitive damages resulting from defective parts or materials. Specifically excluded are costs such as towing fees, rental charges, travel expenses, incidental, special, or consequential damages, or loss of use claims. Also excluded are consequential damages to assemblies and components resulting from a defective part or installation of said part during the repair process.

This warranty may not be varied, supplemented, qualified, or interpreted by any prior course of dealings and is limited (non-transferrable) to the original vehicle owner at the time the repairs are made. Additionally, the warranty is null and void if the repair is altered, adjusted, or tampered with by a non-authorized person. To be eligible for warranty coverage, you must submit your claim property upon discovery of the defect.

DISPUTE RESOLUTION - As a condition of any warranty implied or otherwise, the customer acknowledges and agrees that in the event of any dispute related to the limited lifetime warranty or repairs performed by *** Collision then such dispute will be submitted for resolution by binding arbitration.

Unless otherwise noted, (a) all items are derived from the Guide DR3WG20, CCC Data Date 10/10/2023, and potentially other third party sources of data; and (b) the parts presented are OEM-parts. OEM parts are manufactured by or for the vehicle's Original Equipment Manufacturer (OEM) according to OEM's specifications for U.S. distribution. OEM parts are available at OE/Vehicle dealerships or the specified supplier. OPT OEM (Optional OEM) or ALT OEM (Alternative OEM) parts are OEM parts that may be provided by or through alternate sources other than the OEM vehicle dealerships with discounted pricing.
