

ODOMETER DISCLOSURE STATEMENT

Afterlife tuning is only available to vehicles beyond their statutory useful life period, which is declared by the Original Equipment Manufacturer during their certification process with CARB/EPA. Tier 2 vehicles are generally 10yrs/120k miles, while Tier 3 vehicles are 15yrs/150k miles.

Failure to complete or providing a false statement may result in fines and/or imprisonment.

I, _____, (customer's name) state that the odometer of my vehicle to be tuned reads _____ miles and to the best of my knowledge reflects the actual mileage of the vehicle described below.
