**Instructions:**

\$59491 (standard order pricing below factory invoice)

\$58865 (standard order pricing AND dealer arranged financing)

All prices are plus \$499 doc fee and \$7.50 for a 30 day temporary tag to get you back home. These prices do not include any applicable sales tax that may or may not have to be collected depending on where you live. Any applicable rebates available at the time of delivery would come off these prices as well. Leasing does not qualify as dealer arranged financing. Incentivized rates (such as 0% for 36 months) do not qualify as dealer arranged financing. Minimum amount to finance is \$25K and requires 7 payments be made on the loan before paying it off or refinancing on the 8th payment. We DO NOT accept credit/debit cards for down payments (other than the initial \$1000 deposit) so arrange to have a personal or cashier's check for down payment purposes.

We require a \$1000 nonrefundable deposit on all sold orders.
