

## Eaton ELocker® for Jeep® JL & JT

# ELocker for Jeep Wrangler (JL) and Gladiator (JT)

- One wire - no need for additional components (i.e., air lines and compressors)
- Simple push button operation: quickly send all available torque to both wheels equally, providing maximum traction to overcome challenging terrain
- Net-forged gears for maximum strength and durability

**14234-1 32 Spline**  
**14244-1 29 Spline**
