PERFORMANCE						
P5160095AC	Exclusive Jeep® Performance Parts Rubicon Winch	Winch is completely waterproof and submersible to ensure reliable operation during water fording and other adverse conditions. Includes 100 feet of Warn Spydura™ Synthetic Rope (the strongest, most feature-packed synthetic rope on the market today). Finished in three-stage zinc phosphate, e-coat and powder coating. Fasteners treated with anticorrosive Magni 565 coating.	JL JT	Available	\$1,595.00	
82215605	Production Rock Rails	Rock Rails are made of Black, powdercoated steel and are the same as production Rubicon Rock Rails.	NEW	Available	\$425.00	
82215606	Jeep® Performance Parts Rock Rails	Jeep® Performance Parts Heavy Duty Rock Rails are designed to be both functional and decorative. These Rock Rails meet the demands of the off-roader and provide added vehicle body protection. They are fabricated using zinc-coated steel for superior corrosion resistance and roll-formed. The outer surface is e-coated and then coated with truck bedliner coating providing superior protection and durability.	NEW	Available	\$950.00	
82215642	Catback Exhaust	Exhaust Kit-Cat-Back (Unknown) Exhaust System, free-flowing, 3.6 V6, must have increase in horsepower and improved sound Exterior Accessories	NEW	Available	\$1,395.00	
77072468AB	2-Inch Lift Kit with FOX Shocks	Jeep® Performance Parts (JPP) 2" Lift Kit has been developed by Jeep® brand engineers and off-road enthusiasts and allows you to use larger tires. The kit includes 2.5" diameter aluminum body monotube FOX shock absorbers for cooler operation. The lift kit increases articulation and tire-to-ground contact and the longer front control arms optimize suspension tuning for on-road drivability while improving off-road capability. It works with electronic stability control although unique alignment specifications are required. The parts are easy to install as no driveshaft or brake line replacements are required. Rigorously tested for performance, durability, and corrosion, the parts in this kit are held to all FCA US LLC production standards. The kit comes in a reusable Jeep® branded wooden crate.	NEW	6/24/2019	\$1,495.00	
77072498AB	Tube Door Kit	Jeep Performance Parts Tube Doors create a doors off experience while still having some sort of barrier. Tube Doors are painted low gloss black and are constructed of two-inch round steel tubes. Kit includes tube doors for all four doors with door hinges and latches.	JL JT	3/15/2019	\$1,195.00	
82215637AB	Tall Jack Base	This Jack Base is designed especially to accommodate larger tires. It is made from a single block of polymer to provide a stable position. Recommended for lifted vehicles.	JL JT	Available	\$69.00	

Part Number	Part Name	Part Description	Carryover/ New	Available	MSRP	Dealer Net
82215527AB	Fairlead Adapter Plate for Off-Centered Winch	Winch Fairlead Adapter Mounting Plate is designed to work in conjunction with the Winch Mounting Plate (82215182). The Fairlead Adapter is designed to fit non-centered winch openings only, non-Zeon winches on the production steel front bumper or the Mopar front bumper assemblies.	JL JT	Available	\$45.00	
82215528AB	Fairlead Adapter Plate for Centered Winch	Winch Fairlead Adapter Mounting Plate is designed to work in conjunction with the Winch Mounting Plate (82215182) and centered winch. The plate fits on the stock steel front bumper and the Mopar front bumper assemblies. It is e-coated and powder coated to meet all exterior corrosion testing requirements and mounts using existing mounting features on the winch mounting kit with no modification to existing bumper or frame components.	JL JT	Available	\$45.00	
82215385AB	5 Inch Off-road LED Light Kit	Off-road Light Kit provides that extra light source needed for safe off-road driving. Each light produces 4,800 Lumen, are water submersible, and pressure washer capable. The cast aluminum housing ensures proper heat dissipation and long-term durability. They are also vibration, shock and EMC tested. The kit includes two 5" LED lights, light covers and wiring harness with pigtail with ground eyelet and blunt cut circuit for power connection.	JL JT	Available	\$295.00	
82215386AB	7 Inch Off-road LED Light Kit	Off-road Light Kit provides that extra light source needed for safe off-road driving. Each light produces 8,000 Lumen, are water submersible, and pressure washer capable. The cast aluminum housing ensures proper heat dissipation and long-term durability. They are also vibration, shock and EMC tested. The kit includes two 7" LED lights, light covers and wiring harness with pigtail with ground eyelet and blunt cut circuit for power connection.	JL JT	Available	\$725.00
